Jani-King's COMMERCIAL CLEANING SERVICES INCLUDE:

CUSTOMIZED MAINTENANCE CLEANING PROGRAMS

Flexible programs to meet your scheduling demands that create a clean, healthy environment for employees and customers.

FLOOR CARE PROGRAMS

Mopping, burnishing and scrubbing help maintain and enhance the appearance of floors. Vacuuming and extraction cleaning services are available for carpeted areas.

FACILITY DEEP CLEANING

Floor stripping, waxing, polishing, washroom deep cleaning and upholstery steam cleaning will leave your facility sparkling.

DISINFECTION SERVICES

We use Health Canada approved cleaning products and proper disinfection application processes to ensure your facility is safe and welcoming for staff and visitors.
